

# High School Entrepreneurship Camp

Powered by Northern State University

July  
20-22  
2015

## Take Your Ideas to the Next Level.

### Peer Partnerships

Team up with other students to learn how to start a business in a fast-paced, creative, and friendly environment.

### Community Connections

Your mentors will be the community's top educators and business people.

### New Knowledge

Learn how to make money with something you've created OR use the skills you learn to prepare you for a job that requires innovation.
